AI-Powered Simulation:

Your Fast Track to Next-Level Healthcare Training

Ready to supercharge your simulation work?

Hear from Federico Barra and Giovanna Rodella from Italy's SIMNOVA for a game-changing AI session at our annual WASHA 2025 event.

Discover hands-on AI tools you can implement TODAY – from lightning-fast scenario creation to cutting-edge techniques that slash prep time while boosting learning outcomes. Perfect for busy simulationists training across all health professions.

Walk away with actionable strategies and real-world examples to transform your simulation centre!
