

# ONE DAY PROGRAM MONDAY 12th AUGUST 2024

**This high-fidelity simulation program gives individuals and teams an opportunity to practice crisis resource management skills, enhance confidence in leadership and communication during an emergency, and provide safer care to mental health consumers.**

**Open to medical & nursing staff of all experience and skill level working within acute mental health inpatient settings.**

## **Course Details:**

- Fully catered and held at the RPH WASON Simulation Suite
- Delivered by a dedicated faculty of simulation educators and mental health clinicians
- Participation in realistic and immersive simulated emergency mental health scenarios
- Structured debriefs and engaging lectures on topics related to the deteriorating mental health consumer

## **Course Fees:**

- Medical \$250
- Nursing \$125

## **Bookings:**
