

# 2019 Research Symposium

Thursday, 30 May 2019

8am – 12:30pm

**Venue:** 'Customs House', Research Hub,  
2 Henry Street (& corner Phillimore), Fremantle WA 6160

WA Simulation in Healthcare Alliance, hosted by the School of Medicine, The University of Notre Dame Australia, warmly invite you to Fremantle to the 2019 Research Symposium.

WASHA gratefully acknowledge the support of The University of Notre Dame Australia and respectfully acknowledge the traditional owners and custodians of the Nyungar Wadjuk Country upon which the Fremantle University campus sits.

Registration – <https://www.trybooking.com/475460>

Cost: \$25 (members), \$35 (non-members)  
Light breakfast and morning tea provided.

Fremantle parking – <https://www.fremantle.wa.gov.au/visit/parking-fremantle/where-park#Locations>  
Event schedule and call for posters – see page 2

Network informally over breakfast, morning tea and during World Café event; learn about simulation-based research and projects occurring across Western Australia.

### Event schedule:

0745	Registration
0800	Breakfast
0830	Acknowledgement of country
	Welcome   Professor Gervase Chaney, Dean, School of Medicine Fremantle
0845 – 1000	Poster presentations
1000 – 1015	Morning Tea
1015 – 1045	Guest Speaker   Dr Ali Fardinpour, Executive Director 'Wise Realities', Immersive Technologies Research Scientist. Topic: Virtual Reality and the impact for healthcare
1045 – 1200	World Café discussions
1200 – 1215	Close

### Posters:

The WASHA Research Committee invites you to submit your posters of completed research (that may have been presented at simulation conferences) and also projects-in-progress (including those for which formal research/evaluation has not yet commenced).

Submit a copy of your abstract or finished poster electronically to [Heidi.Waldron@nd.edu.au](mailto:Heidi.Waldron@nd.edu.au) by 21st April with 'WASHA Poster / Abstract 2019' in subject line. Receipt of all submissions will be acknowledged.

There will be an award for best poster, sponsored by Professor Chaney.
