

SimStart Course

11th -13th September 2019, Perth Children's Hospital

We would like to invite you to apply to come on our simulation instructor course.

This three day course will challenge and inspire you to improve your simulation training.

Areas covered will include:

- ✓ Creating a safe learning environment for your learners
- ✓ Simulation education theory
- ✓ Setting up and using the simulation mannequins
- ✓ Using confederates effectively (don't know what they are? – you should come on the course!)
- ✓ Writing scenarios that will challenge but not overwhelm your learners
- ✓ Debriefing scenarios with integrity
