Dear WASHA members

Re: Expression of interest to participate in a Delphi Study

My name is Dr Rahman Abdullah. I am a paediatric registrar at the Perth Children's Hospital and a master's candidate in Health Professions Education at the University of Western Australia. I am excited by the opportunity to collaborate with WASHA in conducting this research project. This email is a further invitation to all WASHA members; in particular, those with an interest in paediatrics (after the recent research symposium at the University of Notre Dame) to formally register your expression of interest to participate in this study.

Research title: The qualities of immersive technologies in teaching and learning medical procedures in paediatrics -a Delphi Study.

Ethics approval: CAHS HREC reference number RGS 1208
UWA HREC reference number RA/4/20/5487

What happens next?

- 1) Register your interest to participate by emailing myself; Rahman Abdullah on 22209505@student.uwa.edu.au
- 2) Nominate to attend one of the two, half an hour live demonstration on immersive technology in Healthcare either on Friday, the 9th of August or Friday the 16th of August 2019.
- 3) Familiarise yourself with the technology prior to the live demonstration by completing an online course (registration required to get free access) provided by Wise Realities Institute for Healthcare Emerging Technologies Research through the website; <https://chista.wiserealities.org.au/login/index.php>
- 4) Attend a live demonstration at the Health Professions Education Building at the University of Western Australia at 1530 (please come fifteen minutes earlier for registration).
- 5) Speak to the research team and sign the consent form to participate in the study.
- 6) You will be required to complete three rounds of questionnaires every two months.

What if I have more questions?

Feel free to contact Rahman Abdullah on 22209505@student.uwa.edu.au
