

# Clinical Simulation and Training Advisory Network

Grants February, 2020

Project team email contacts

Government of **Western Australia**  
Department of **Health**

**Curtin University**

# Paediatric Goals of Patient Care (PGOPC) - State-wide Education Program for Health Professionals

Lisa Cuddeford

Rebecca Brown

Mary Miller

On behalf of the State-wide PGoPC Steering Group

Project contact details: [Lisa.Cuddeford@health.wa.gov.au](mailto:Lisa.Cuddeford@health.wa.gov.au) and  
[Rebecca.Brown1@health.wa.gov.au](mailto:Rebecca.Brown1@health.wa.gov.au)

Government of **Western Australia**  
Department of **Health**

## Targeted

1 day simulation training course

- Simulated scenarios
- Small & large group teaching
- Develop videos for use

- Facilitate 4 course per year for 2 years
- Development of refresher package

## Generic

Generic education for HP's

- Simulated scenarios via videos
- Take 5
- Lecture presentations available online

- Develop train the trainer model

Evaluation

# Improving Students' and Health Professionals' Therapeutic Communication Skills to Elicit, Explore, and Prevent Suicidal Ideation: A Serious Game Simulation Technology Project

Dr Anna Fagence, Dr Janie Brown,  
Assoc Prof Michelle Kelly, Dr Shirley McGough, Assoc  
Prof Lauren Breen,  
Robin Shortland-Jones, and Peta Gallaway

# Creating an Advanced Neonatal Simulation Course WA:

a collaboration to deliver to multi-professional, state-wide  
participants

Emma Harris (Lead in Simulation, Neonatologist KEMH, CAHS)

Ellen Taylor (Lead in Simulation, Paediatrician PCH, CAHS)

Deb Mooney (Nurse educator KEMH, Sim interest)

Jon Mould (Sim coordinator PCH)

Rory Trawber (Neonatologist FSH and Director of Clinical Training (Simulation FSH))

Jonathan Davies (Neonatal Transport (NETS) Consultant PCH)

Tom Rawlings (Lead in Simulation, Consultant Anaesthetist PCH)

Neonatal Nursing Educators CAHS

Ravisha Srinivajois (Neonatologist PCH/JHC sim interest)

Project contact details: [Emma.Harris@health.wa.gov.au](mailto:Emma.Harris@health.wa.gov.au)

Department of **Health**

**Royal Perth Bentley** Group

# MHERP AIMS TO:

Rethink how we educate and empower clinical staff to recognise and respond to the clinical deterioration of a MH consumer through simulation.

Enhance the team management of a clinically deteriorating MH consumer.

Provide MH clinical staff with experiential learning opportunities that are safe and powerful.

Prevent incidents escalating into emergency situations, especially those requiring security involvement.

Share these learnings with other Health Services.

# Practical Obstetric Multi-Professional Training (PrOMPT) in country WA

Drs Sara Armitage / Jared Watts - Clinical Lead  
Obstetrics WACHS

Kate Reynolds - Coordinator of Midwifery

Melissa Shackleton - Project Manager.
